RE: Restoration of Monuments in the Village of Nyack Memorial Park

Dear Bob and Tom:

The Village of Nyack is sincerely grateful for the beautiful restoration work MonuMedic performed on two monuments in Memorial Park this month. MonuMedic did an outstanding job, the professionalism and craftsmanship is truly remarkable. The monuments have been restored to a like-new finish.

Monuments are an important part of our history, not just as a nation, but as a Village. The "Brinks" monument pays tribute to two Nyack Police Officers who tragically lost their lives in the line of duty. The Brinks Monument had fallen into disrepair, it was corroded and unreadable and no longer an appropriate tribute to the fine men who lost their lives. However, due to the restoration work by MonuMedic - the pride and respect these officers deserve has been restored. This year, as we mark the 37th anniversary on October 20, we share the pride that MonuMedic restored at this site and look forward to revealing it to the families of the police officers and the community.

Thank you for your dedication to preserving history – one monument at a time! Many, many, thanks from the Village of Nyack.

Regards,

James Politi

Village Administrator
