To Whom It May Concern,

I am writing this letter of recommendation on behalf of Bob Higle and Monumedic. The Dobbs Ferry School District recently hired Monumedic to restore a beautiful but badly neglected school bell in front of our high school. At the same time, the Village of Dobbs Ferry also hired Monumedic to restore the World War I Veterans Monument which is also located in front of our school. The transformation was remarkable!

Bob labored tirelessly on some extremely hot days to get the work done. He also worked with us to create new bronze plaques that now adorn both monuments. The restored bell and monument were presented to the public on November 11, 2018 to commemorate the 100th anniversary of the end of World War I. Our community was thrilled with the results of the work done by Bob Higle.

I would high recommend Bob and I am happy to answer any questions. I can be reached at [bradyl@dfs.org](mailto:bradyl@dfs.org) or 914-693-1506.

Sincerely,

Lisa Brady, Ed.D.  
Superintendent
