Dear Bob & Tom,

The O'Grady—Brown Memorial Scholarship Fund, Inc. is grateful to MonuMedic for the extremely professional work recently completed to restore the plaque, stone and bench at the Memorial honoring the sacrifice of Nyack Police Sergeant Edward J. O'Grady Jr. and Police Officer Waverly "Chipper" Brown and Brinks Guard Peter Paige.

The site near the entrance to the New York State Thruway, is the actual location where these officers lost their lives protecting the Nyack Community. Additionally, a memorial ceremony is held at the site each year on October 20th where hundreds of members of the law enforcement and Rockland County community gather to remember their bravery.

As the centerpiece of the Memorial site, the monument plaque and stone are the most visible reminder of their sacrifice and through your craftsmanship and experience they have now been restored to "like new" condition.

Thank you for your work in helping us honor these American hero's.

Sincerely,

Undersheriff Robert W. Van Cura  
Chairman
